Abiding Savior Preschool

As of this fall, we will now be accepting children at two years of age and not potty-trained. In addition, we will be offering a more flexible schedule for students that includes any 2, 3, or 4 (while available) days and we will continue to offer our 5 day program. You can also mix and match half day, school day and full day programs.

If you have a younger sibling or a friend that could benefit from our Christ-Centered developmentally appropriate program, please stop by the Preschool office for a registration packet. We do have a fantastic referral program to thank you that includes a \$100 SCRIP card of your choice.

All About LWML Mites

Lutheran Women's Missionary League
Mite Boxes are used to further God's kingdom through the mission grants. Its name comes from the lesson of the widow's mite. Mite Boxes are available in the Narthex by both entrances. Place your Mite Box in an obvious place so you can "feed" it. Return your filled Mite Box to the large box in the Narthex and exchange it for an empty box and start filling again! As we continue to support Mite Box projects, may God bless our efforts to spread Jesus' love here and throughout the world.

If you had your photo taken and not yet picked up your directory, it's available in the church office during the week. We'll begin a new round of photos in the fall, so please contact Sheila Grossman if you would like to be in the updated directory.
